ABOUT

I'm a Frontend Developer And a Graphic Designer based in India, and I'm very passionate and dedicated to my work. I am currently pursuing my bachelor's degree in computer science from Shri Vaishnav Vidyapeeth Vishwavidyalaya Indore.

INTERNSHIP AND PROJECT EXPERIENCE

VOICE-POWERED-EXPENSE_TRACKER

Web-based Group project | Aug 2022 - Nov 2022

- It was a Web-based application, used to track your income and expenses, it makes easy for you to manage them. It could be operated by Voice Commands and Manual entries.
- The technology used were HTML, CSS, JavaScript, React.js, Material UI and Speechly(used for voice traning and voice command application).

MAKE EASY

Web-based project | Feb 2022 - July 2022

- It was a Web-based application that enables millions of underprivileged and unorganized blue-collar workers to find local employees, directly from employers close to them.
- The technology used were HTML, CSS, JavaScript, SCSS, and Whatsapp as a backend database.

GRAPHIC DESIGNER INTERN

AT Buzzlink studio | July 2021 - Aug 2021

- I was responsible for finding and creating content on Digital marketing , Web development and SEO.
- I also designed ads and logos during my Internship.
